

**SAN DIEGO-IMPERIAL LMSC INDIVIDUAL EVENT RECORDS
SHORT COURSE YARDS (25 YARD COURSE) MAY 31, 2018**

SI Short Course Yards (SCY) Records are updated annually after the conclusion of the short course yards season which runs from June 1 to May 31 of the following year (one full year). Records are updated after official times are verified as being swum in a measurement-certified pool under USMS Rules. For bulkhead pools, additional measurements must have been taken before and after each meet session and submitted to the USMS Records administrator. Official times must have been recorded per the required timing standards for USMS Top 10 times as outlined in the USMS Rule Book. Official times must have been submitted to the USMS Records administrator by the submission deadline. After the end of each season, submitted times, with swimmer name, age, and club affiliation, are proofed by the USMS Records and Tabulation Committee, LMSC Top 10 Recorders, and the USMS Records administrator and are published as the official USMS National Top 10 Times list. Following this publication, the SI LMSC records are updated and posted.

SI Short Course Yards (SCY) Records are updated annually after the conclusion of the short course yards season which runs from June 1 to May 31 of the following year (one full year). Records are updated after official times are verified as being swum in a measurement-certified pool under USMS Rules. For bulkhead pools, additional measurements must have been taken before and after each meet session and submitted to the USMS Records administrator. Official times must have been recorded per the required timing standards for USMS Top 10 times as outlined in the USMS Rule Book. Official times must have been submitted to the USMS Records administrator by the submission deadline. After the end of each season, submitted times, with swimmer name, age, and club affiliation, are proofed by the USMS Records and Tabulation Committee, LMSC Top 10 Recorders, and the USMS Records administrator and are published as the official USMS National Top 10 Times list. Following this publication, the SI LMSC records are updated and posted.
